February 10, 2020

**Karaoke Club:** Our health aide, Ms. Marsh, and one of our 5th-grade students are looking to start a karaoke club, and would love for you to be a part of it! There will be a sign-up sheet in the main office, so if your student is interested please have them put their name down, or stop by and do it for them! If enough people sign up to make it happen, details will follow.

**Families:** The Department of Health Services has requested that in order to recognize infectious outbreaks in schools, we ask you to be specific when calling in students as absent to school. Instead of “sick”, it is helpful if you give specific symptoms or diagnosis, for example: diarrhea, vomiting, fever, sore throat, cold symptoms, strep throat, flu... and any diagnosed illness in your absence messages. This is not a requirement, just a request that will help nurses monitor the numbers of condition outbreaks at schools.

**PAW Store Volunteer:** [Sign up]

**Kendallvue Kindness:** For the first part of February, we will be giving out “Kindness PAWS” for acts of Kindness. These special PAWS can then be turned into candy messages to send to friends and staff. On February 13th Everyone will receive all their nice notes! Thank you to Team Kendallvue PTA for setting this up. *Families- feel free to stop in the office and send a special note!* [IMAGE]

**Conferences:** They will be held on February 11th &13th. These are by invitation so please look for more information from your classroom teachers or email them directly to set up a time. -If you love to cook and want to show the staff some love here is the [sign up for meals].

**Kendallvue Runs:** Kendallvue would like to provide a run club for our students this year. If we have enough people who commit to this sign up we will proceed with making this club a reality. We would like to offer this fun club to K-5 graders for seven after school sessions that end in a community 5k run at Harriman Lake and a run club shirt. For the volunteers who signup for 5 or more slots their students can participate at no cost. -[Run Club Volunteer Opportunity](#)
