See [the GT website](#) for more.

**Winter Weather:** It has been finally getting cold winter. Please remind your child to dress for the weather because we go outside if it is 22 degrees based on the Apple Weather App for Morrison. We will always come in with precipitation. Children will be allowed to go back and get their jackets but if they don’t have them then they will still need to go outside and play. Play and time outside are important so that their brains are ready to learn when they get back to class!

**Blue Flag Days:** If we are experiencing bad weather (heavy rain, snow, high winds, below 22 degrees, etc.) the Blue Flag will be flown at the front of the building, signaling students to enter through the front doors of the school as soon as they arrive at school. Please do not drop your children off before 8:00 a.m. because that is when our teacher coverage begins.

**Process:**

- All students will enter through the front doors of the school.
- Students arriving prior to 8:10 a.m. will be required to stay in the hallway by their pods. At 8:10 a.m. they will be released to their classroom.
- Visitors must sign in at the main office and wear a visitor badge.
- At 8:25 a.m. the FM, the facility manager or staff member will make one walk around the building to make sure that students are in the building.
