Kendallvue Kindness: For the first part of February, we will be giving out "Kindness PAWS" for acts of Kindness. These special PAWS can then be turned into candy messages to send to friends and staff. On February 13th Everyone will receive all their nice notes! Thank you to Team Kendallvue PTA for setting this up. *Families- feel free to stop in the office and send a special note! IMAGE

Graphic novels are a valuable resource for any elementary classroom or school library. This once niche format has found its way to the hearts of young readers, and educators have found success with this format for striving readers and ESL students. Follett has created a helpful PDF guide HERE on how to include graphic novels into your curriculum. If there is a graphic novel or any other book you would like to see in our library please let me know. -Mrs. Jones

Conferences: They will be held on February 11th &13th. These are by invitation so please look for more information from your classroom teachers or email them directly to set up a time.
