**Sponsor an Outdoor Learning Space:** We are wanting to be outdoors as much as possible for eating and learning.

This will involve purchasing commercial grade EZ ups, picnic tables, and umbrellas for the tables. Each sponsor will have their name branded on the picnic table they purchased for the school. We will also advertise donors in our community updates. These purchases will benefit us this year, as well as in years to come at Kendallvue.

- **Picnic table** - $100
- **Commercial EZ pop-up** - $300
  - ½ - $150
  - ¼ - $75

**Playground:** The playground will begin to be installed August 19th!

**Fees:** Please see the fee instructions for this year. Most are for both in-person and remote learners.

**Supplies:** The supply list will indicate any differences for remote or in person learners. Please let us know if you need help with supplies and we can help with some donations that we have received.

**Classroom Assignments:** Teachers return on **Wednesday, August 12th** and we will begin the classroom assignment process. We usually have a preliminary in the spring but nothing is the same this year! At that time, we will begin to build balanced classrooms that support the best learning environment.
