Welcome to Jeffrey Acosta as Kendallvue’s Physical Education Teacher

My name is Jeffrey Acosta. I'm excited and thankful to be your PE teacher. I have been teaching physical education and health K-8 for 3 years. I was born in Miami, Florida. I've lived in 6 different states, and also spent a big chunk of my childhood living in San Pedro Sula, Honduras. I went to the University of Texas at Arlington in the Dallas-Fort Worth area. I've lived in Colorado for a few years, and so far I like it here better than anywhere else I've been.

I like staying active, and especially love kickboxing. Other interests are yoga, weightlifting, nutrition, meditation, and listening to audiobooks.

We will learn a lot while working hard and having fun!
See you all soon!

Mr. Acosta was just hired on Friday so his remote teaching will not be up and running for Monday but by Tuesday he should be good to go!

The First Day of In-Person Learning: September 8, 2020

We know this won’t look typical, but we are prepared to welcome your children.

Before and After School Procedures
Kendallvue Symptom Screening Assignments

- Your child’s classroom teacher will be waiting at their outside classroom door at 7:55 a.m.
● One adult may accompany a student to the outside door of the classroom and they must wear a mask.
● No family members will be allowed in the classroom which we know will be difficult especially for our younger children. Please know that we will call you to give an update and that children will usually stop crying once their family member is not there. We will help!

**Orientation:** We will be having small groups of students attend orientation from **8:30-11:00** the second week of school. During this time your child will meet his/her teacher, bring supplies, take some assessments, and get familiar with their new classroom. A detailed schedule was sent out by Friday, the 21st. Please email caustin@jeffco.k12.co.us if you have any questions.

- September 1st - last name A - I
- September 2nd - last name J - Q
- September 3rd - last name R - Z

*Your child may bring a bag on the day of orientation, but we are not wanting any bags after this day.

**Updated Code of Conduct:** Please take a minute to read and we will be giving a presentation to all classrooms in age appropriate ways.

**PBIS:** “Respect, Responsibility, Safety and Integrity” We will continue teaching and rewarding positive behaviors. We will be sending out more information about some of the fun incentives and other activities around coyote character!

[Remote and In-Person Behavioral Expectations](#)

**Communication:** Communication is essential during a regular school year, but even more so this year. We try to limit one school-wide email per week and please know these are the most important to read.

**School-Wide Expectations:**
- Community Updates go out weekly
- Classroom Updates go out weekly
- [Kendallvue Facebook](#) We use this form a lot for reminders and share images of what is happening in the in-person and remote classrooms.
- **Classroom Facebooks:** Each classroom will have a facebook that will begin to be utilized as a helpful tool for communication, classifications and classroom communities. It is fun to see all of the photos of what your children have created!
- Monthly PTA/SAC Meeting (through zoom)
**Last Day for Remote/In-Person Changes:** The last day to request a switch is **Friday, September 11, 2020.** This will allow a week of in-person teaching to be experienced. The decision then holds until the second semester in January. Thank you for your understanding because it is difficult to maintain staffing and a sense of classroom community if we continue to make changes.

---

**Questions About Remote Teaching:** Liz Thomas will serve as our remote education director so please direct any questions to her at eathomas@jeffco.k12.co.us or text (303)880-6659.

Yearbook Pick-up: We have yearbooks.  You are welcome to stop by and pick-up your child’s yearbook anytime.  If you are unable to pick-up, we will send it home with your child during the first week of in-person learning.

Sponsor an Outdoor Learning Space:  We could still use help with this project!
Please email Darlene at dmcluskey@jeffco.k12.co.us to donate., or drop a check off at school.  This will involve purchasing commercial grade EZ ups, picnic tables, and umbrellas for the tables.  These purchases will benefit us this year, as well as in years to come at Kendallvue.

Picnic table-$100  Commercial EZ pop-up- $300

Remote Learners Supply Pick-up: We will be sending out a time for your remote learner to pick up their supplies that were paid for on the Fee Sheet.  Some of the fees were for on-line access to Scholastic or Raz.  Your remote teacher will be sending you log-in and password information for the on-line accounts.

Payment of Fees will have to be paid before supplies are given out.  This can be on Jeffco Connect or Darlene can accept a check, cash or card. Thank you for your help with this.
Fees: Please see the fee instructions for this year. Most are for both in-person and remote learners. Fee Instructions

Schedules: We will keep this information on the bottom of this page to reference in the future.
