We want to thank one of our families that treated the staff to a fabulous lunch last week! I can’t tell you how much we appreciate the support of our community.

Please remember that school is in-session tomorrow except if you are quarantined. Let’s have another great week at Kendallvue!
Christina

**Kendallvue Preparing to Go Remote**

Jeffco Announces the Shift from In-Person to Remote

- Communication sent from district to families
- Kendallvue administration communicates to teachers regarding specifics
- Kendallvue communicates families regarding specifics
- Children will start bringing their electronics so that we are ready to pivot as quickly as possible.
- Let us know if you need a backpack.

---

**Deep Cleaning:**

- Kendallvue was deep cleaned today so we are ready for school tomorrow. Thank you to Chas, her team and the district team for making sure we were ready to continue learning.
- **Important:** School is business as usual for Monday, November 9, unless you have been contacted about quarantine.

---

**Before and After School Playgrounds:** Please remember that the playgrounds are closed before and after school. We do a lot to keep our cohorts together and they are assigned to
playgrounds with the same paraprofessional. If you would like to come back after school hours that is fine. Thank you for your cooperation.

**Technology:** Thank you for your cooperation with the guidelines because our technology is expensive and we really need to keep it protected.

- Technology will be coming back and forth this week. This technology will not be needed at home unless we are teaching remotely.
- Please keep the technology in your child’s backpack. We want to make sure that they are returned the next day because we use them daily in most classrooms.

**Early Dismissals:** We will be dismissed at 2:55 p.m. starting the week of November 16. We have found that the staggered release times are no longer needed and we wanted to add back lost instructional time.

So, PK-5 will dismiss at 2:55 p.m. starting on November 16, 2020.

**PTA Zoom Meeting:** Please join us by zoom to see how we can put together a responsive budget after the fundraiser. Thursday, November 19, 2020 at 6:00 pm. Please email teamkendallvue@gmail.com for the zoom link.

**Remote Learning Updates:**

Student Expectations: Remember to review our [Online PAW Expectations](#) to assure the best learning environment for all students occasionally.

Support: If you have any difficulty with accessing anything or any questions please contact Liz Thomas (Director of Remote Learning) at (303)880-6659 or eathomas@jeffco.k12.co.us. If they are technical difficulties please contact Nick Ophaug at (720)470-4834.

**Easy Ways to Support Kendallvue:**

- American Furniture Warehouse: Mention Kendallvue at checkout
- Amazon Smile: Be sure to shop through smile.amazon.com and select Kendallvue PTA as your charity.
- Box Tops: Download the app and submit your receipts
