Preparing for Remote Learning
November 9, 2020

We all are remaining positive that our in-person students will stay at school. However, I want to make sure that you have all the information you will need if we do go all-school remote. We are busy preparing to make it a smooth transition. Remember to reach out if you have any questions.

Everything You Need to Know!: Jeffco has all of their COVID response on this page. 
Jeffco COVID-19 Website

COVID 19 and Transition Overview: This is a great document that gives a summary of FAQ. Please take a few minutes to review.
Jeffco Remote Learning Overview

Student Daily Remote Schedule: Your child’s daily schedule. Morning will be synchronous and afternoons will be asynchronous except for AMP or other pull-out groups. Small details may change but the structure of the day will not.
Kendallvue Remote Learning Daily Plan

Remote Parent Resources: Please use this document for contacts and resources for Kendallvue. Kendallvue Remote Parent Resources It is also still in draft form.

Jeffco Schools Tech Support Tips: This is a great resource that goes over all of the technology that your children will be using.

Communication Steps for Remote Learning Transition:
1. Jeffco Announces the Shift from In-Person to Remote
2. Communication sent from district to families
3. Kendallvue administration communicates to teachers regarding specifics
4. Kendallvue communicates families regarding specifics

Student Expectations: Remember to review our Online PAW Expectations to assure the best
learning environment for all students occasionally.
